

STATEMENT OF CIRCUMSTANCES

Kyvalley Dairy Group proudly supplies fresh organic dairy products to customers all over Australia and into Asia. We are an Australian owned family business, and our suppliers, existing and new, are part of our family. Without exception all organic milk supplied to Kyvalley Dairy Group must be sourced from a farm that carries Organic Producer Certification as determined by an Approved Organic Certifier. In respect to our desired volumes 2022/2023 supply year, we are looking to grow our current supply volumes to service our customers.

Details of our milk price model and terms are set out in the Certified Organic Kyvalley Milk Supply Agreement and Supplier Handbook attached, both of which have been updated to ensure compliance with the new mandatory Dairy Code of Conduct introduced 1 January 2020 (the Code).

Kyvalley Dairy Group may, at any time, decline to enter into any new milk supply agreements once we have secured sufficient milk supply to service our customers.

We value our relationships with our suppliers and are committed to helping them achieve the maximum benefits from our payment model by providing support on quality issues. We have a very experienced team of dairy professionals available to assist. If you are interested in supplying us for the coming season, we would love to talk to you.
