Kyvalley Dairy Group proudly supplies fresh dairy products to customers all over Australia and into We are an Australian owned family business, and our suppliers, existing and new, are part of our family. As always, we remain loyal to our current suppliers, and they will be given preference in meeting our target milk requirement for Northern Victoria for the coming 2022/23 season.

We are pleased to offer a competitive milk price for the year commencing 1st July 2022 to 30 June 2023. Details of our milk price model and terms are set out in the Kyvalley Milk Supply Agreement and Supplier Handbook attached.

In respect to our desired volumes for the 2022/23 supply year, we are looking to recruit conventional milk in the Western Victorian region to support our business growth. Preference will be given to existing suppliers, and those potential new suppliers located within our target region with good quality milk.

Kyvalley Dairy Group may, at any time, decline to enter into any new milk supply agreements once we have secured sufficient milk supply to service our customers.

We value our relationships with our suppliers and are committed to helping them achieve the maximum benefits from our payment model by providing support on quality issues. We have a very experienced team of dairy professionals available to assist. If you are interested in supplying us for the coming season, we would love to talk to you.
